Shelflife of ZESTRON® / VIGON® / ATRON® Cleaning agents

To Whom It May Concern

We herewith confirm that our product lines ZESTRON® / VIGON® / ATRON® have a minimum shelf life of 5 years.

Under the condition that products are stored:

- in the original closed container
- at a temperature range between 5°C and 30°C
- not exposed to direct sunlight.

The production year can be identified by the lot number which is printed on every container. The first two digits of the lot number indicate the production year, e.g.:

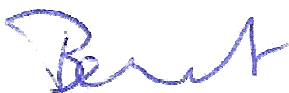

Lot number: 08345

Production year: 2008

Best Regards,

ZESTRON Europe
